High School Graduation Requirements Policy

Reviewed by	Date	Signature

The purpose of high school graduation requirements is to establish rigorous standards of learning that will enable all Al Ittihad National Private school students to meet the vision of the school. All Al Ittihad National Private school graduates will:

Possess the attitudes, knowledge, and skills necessary to contribute positively and compete in a global society; exercise the rights and responsibilities of active members in society; and pursue post-secondary education and/or careers without need for remediation.

As Grade 10 students move into Grades 11 and 12, at INPS – Abu Dhabi courses are offered that will help them stream-line their academic choices to support their career options and university course of study, where:

1. Elective courses are offered to give our students strong background and foundation in both Science and Business streams.
2. At the end of Grade 10, students choose their preferences and commit to these choices for the next 2 academic years (Grade 11 and Grade 12).
3. A grace period of two weeks is given at the commencement of the academic year of Grade 11 for students to assess the validity of their choice.
4. Students of Grade 10 indicate their preference by choosing (v) from the table below.
5. Compulsory subjects: Islamic / Arabic / English / Math / ICT and Economics.
